

BORA

Student Internship - Summer 2025

Bora Architecture and Interiors is seeking an energetic, self-motivated student to join our team as a Student Intern in Architecture and Design. The ideal candidate will bring fresh ideas and a diverse perspective to the Bora team, with a desire to learn and grow, and an interest in contributing to our creative and equitable firm culture.

We are committed to broadening your experience by exposing you to a variety of project types and phases of the design process, while building relationships with staff members and supporting your professional development. This 12-week internship is being offered during the summer with a flexible start date.

As a student intern you will:

- Interact regularly with a peer mentor for support and guidance.
- Connect with other team members through a series of Bora Chats that span the diverse roles within the office.
- Engage in a variety of project tasks from marketing to project completion.
 - Participate in project design and sustainability discussions.
 - Assist with presentation materials.
 - Learn to use both digital and physical tools (i.e. Revit, Miro, Adobe Creative Suite, Bluebeam, laser cutter and shop training)
 - Assist the project team at various stages of design and documentation depending on the phase and assignment each week.
 - Attend client, team, and consultant meetings to gain insight into the project communication and coordination process.

Requirements:

- Must be currently enrolled in an undergraduate or graduate program in the field of architecture, interior design, or a related field, seeking a student internship opportunity.
- Must have a minimum of two years of higher education in architecture, or a related field.
- Must have the ability to collaborate in a team, communicate ideas visually, verbally and in writing, are self-motivated and willing to ask questions.
- Must be available to work a hybrid schedule in-person at the Bora office located in Portland, Oregon for the duration of the internship.

The benefits of this internship are:

- A structured internship experience with well-rounded exposure to a variety of roles and responsibilities within an architectural and design practice.
- An opportunity to build meaningful relationships with professionals in the industry.
- This internship pays \$22.00 per hour.
- In an effort to provide equal access, relocation stipends will be considered on a case-by-case basis.
- In-office bike storage
- Hybrid work schedule

To be considered, please submit the following application materials to careers@bora.co:

- A statement of why you are interested in Bora and this internship opportunity.
- Your resume outlining your previous work experience, volunteer activities, education, and hobbies.
- A sample of your work, such as, sketches, diagrams, process work, final renderings/drawings/illustrations, research, and school projects to date.
